## 1. PAPERS

### GASES

|  | Page |
|--|------|
| Symposium on "Mine Gases, Air Sampling and Gas Detection"<br>(continued from Volume 33, 1980)                                      |      |
| Acute hazards of explosive gases, their detection and control<br>Author: W. Holding (January) .....                                | 1    |
| Concluding Address by W.S. Rapson (January).....   | 15   |
| Discussion Session (January).....  | 14   |
| Gas cleaning and cooling in sulphuric acid plants<br>Author: J.P. Herselman (February) .....                                       | 21   |
| ADU plant ventilation and fume extraction<br>Author: I.C. Coates (February) .....  | 28   |
| The mobile gas analysis laboratories of the Chamber of Mines of South Africa<br>Author: Y. Haven and C.J.J. Hattingh (March) ..... | 51   |

### HEAT AND TEMPERATURE

|   |          |
|---|----------|
| On-load automatic brush cleaning system for condenser tubes<br>Author: G.H. Corlett (January).....                            | 16       |
| The assessment and prediction of cooling plant performance<br>Author: R. Hemp (May, June) .....                               | 81, 101  |
| An investigation into the use of water-vapour refrigeration for cooling mine<br>service water<br>Author: R. Shone (July)..... | 121      |
| The performance of cooling coils<br>Author: R. Ramsden (August, September) .....  | 145, 163 |
| The performance of direct-contact heat exchangers<br>Authors: S.J. Bluhm (August, September) .....                            | 155, 168 |

### DUST

|   |     |
|---|-----|
| Gravel bed filters<br>Author: J. Holden (February) .....  | 36  |
| Fabric filtration<br>Author: D. Tuck (March).....   | 41  |
| The consolidation of footwall dust in intake airways and roadways using calcium<br>chloride<br>Authors: H.H.E. Schröder, A.J.P. van Wyk and J.H. Quilliam<br>(September)..... | 175 |

### FANS

|   |     |
|---|-----|
| Energy economics of fans in remotely parallel operation<br>Author: W.L. le Roux (October) ..... | 184 |
|---|-----|

## GENERAL

|   |          |
|---|----------|
| Development of a sealant for a brattice wall<br>Author: E.R. Woods (March) .....  | 57       |
| An appraisal of a filter unit for the production of potable water in stopes<br>Author: F.A. Hawkins (April) .....                       | 61       |
| Extracts from the Annual Ventilation Report for Collieries<br>For the year ending September 1979 (April) .....                          | 67       |
| For the year ending September 1980 (October) .....  | 168      |
| Ventilating a subsidence in coal<br>Author: P.J. Yssel (April) .....  | 72       |
| The sealing of basal leader reef intersections at President Brand Gold Mining<br>Company Limited<br>Author: A.L.J. de Vries (May) ..... | 99       |
| Hints on operating and maintaining surface plant ventilation equipment<br>Author: J.M.D. Bell (June) .....                              | 118      |
| A review of ventilation practice on South African collieries<br>(Presidential address)<br>Author: N. Thorp (November, December) .....   | 194, 209 |
| Ashfilling at Springfield Collieries<br>Author: J.W. Jordaan (December) .....   | 217      |

## 2. EXAMINATIONS

|  |     |
|--|-----|
| Notes for students — suggested answer<br>Author: J.H. Louw (October) ..... | 186 |
|--|-----|

## 3. MISCELLANEOUS

|  |  |
|--|--|
| Abstracts .....  | 19   |
| 25 years ago .....                                     | 20, 40, 60, 76, 100, 120, 144, 160, 180, 192, 208, 219 |
| Call for papers .....                                  | 59   |
| Examination results .....                              | 75   |
| Obituaries: A. Whillier .....                          | 161  |
| J.A. Drummond .....                                    | 162  |
| B.J.R. Botha .....                                     | 220  |
| President's Christmas Message .....                    | 193  |
| Steenkoolmyn Tak. Verslag vir die Jaar 1980-1981 ..... | 179  |

## 4. VISITS AND MEETINGS

|  |          |
|--|----------|
| Report on a visit to Pullen's Engineering, 24th March 1981 .....       | 178      |
| Proceedings of the Annual General Meeting held on 24th June 1981 ..... | 181, 216 |
